ASK ALL

CVSIntro.

In light of the current situation with Covid-19, we want to make sure that anyone who takes part in our surveys is comfortable doing so.

To do this we need to ask a few questions to find out you and your household's general health. You do not have to answer these questions if you do not want to. **Participation in the survey is voluntary and you can change your mind at any time. We will retain your contact details for quality control purposes and this data is typically destroyed within 12 months.**

I also want to reassure you that I have been assessed under official guidelines and am fit and healthy to interview you. Are you happy for me to proceed?
